CLINICAL TRAINING (Direct and Indirect Services)

DMT advocacy in community, state, and national levels	Exploring funding options for future program development	Identifying current legislation that relates to DMT or the internship population
Offering DMT in-services at sites re: stress/coping	Designing marketing materials/ info sheets for DMT & site population	Designing & potentially implementing research experiment
Creating orientation packet for future interns at site	Online/phone interviews with other professionals	Practicing movement assessments
Developing treatment plans based on archived session footage	Creating and sharing a comprehensive bibliography for the population being served	Completing client casework from a secure server with HIPAA compliance
Meeting for supervision using a secure server	Crafting crisis response policies and procedures	Designing educational materials based on the crisis (e.g. DMT & coping w/COVID-19)
Developing DMT interventions for healing post-crisis	Connecting clients to public health information	Compiling a list of resources for clients for post-crisis
Writing posts and blogs that could be used on placement site's social media accounts	Engaging in social justice initiatives in response to the crisis or changing public health policy	Sharing the content from webinars/podcasts with others at placement site

Some Specific Examples

- Create videotaped movement sessions to share with nursing home residents
- Provide telehealth sessions
 - <https://www.hhs.gov/hipaa/for-professionals/special-topics/emergency-preparedness/notification-enforcement-discretion-telehealth/index.html?fbclid=IwAR39q9dM1exzjGoiI7M0RvxSX5A9jfHfLpsmtYS60jqqWJ9IF3WoqGBkia0>
- Facilitate an online live group self-care session for other creative arts therapy students, staff, interns, etc.
- Upload onto YouTube or Vimeo DMT based ways of coping with COVID-19

DANCE (May inspire ideas for DMT experiential learning as well as providing potential self-care resources.)
